**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I personally had the big companies as providers. However, I really dont get why they trying to do that we when their service is garbage. Let other companies get a shot maybe they can do the job these big companies failed to do. If im paying top dollar, as a costumer I wants good and reliable service not the garbage they are providing.
